Slight warpage, as well as natural variations in colour and grain effect, are normal with a wood product and are not considered defects. In addition, some fading and/or discolouration of the finish may occur over time. This is common with man-made coatings and is not considered a defect.

The obligation of Blind Designs and its distributors is limited to the repair or the replacement of blinds or components found to be defective and excludes shipping or transport charges and labour costs for measuring and installation. Repairs will be made with like similar parts.

To obtain warranty service, contact the dealer from whom your product was purchased. The dealer will work with Blind Designs to repair or replace any defective parts or components promptly without charge. Warranty claims must be accompanied by proof of purchase, as well as details regarding the nature of the problem, location of the blind, etc.

This warranty does not include any conditions or damages resulting from accidents, alterations, misuse, abuse, exposure to the elements, excessive humidity, motorized devices, or failure to follow our instructions with respect to measurement, installation, cleaning or maintenance. In addition this warranty does not cover any condition or damage resulting from the removal of the blind and reinstallation in the same or another window.

This warranty does not apply to conditions caused by normal wear and tear on the product. Cords are considered a wearable part.
